QA Testing Checklist

Manual Testing Guide

Version 1.0 · 2026-03-19

25 Feature Areas · 105 Test Cases

1. Authentication & Login

Test Case	Steps	Expected Result	Pass / Fail	Notes
Valid login	Enter correct email + password → click Login	Redirected to Dashboard	■ Pass ■ Fail	
Invalid password	Enter correct email + wrong password → click Login	Error message displayed, no redirect	■ Pass ■ Fail	
Wrong role blocked	Log in as a 'staff' role account	Login rejected with 'Access denied' message	■ Pass ■ Fail	
Session persists on reload	Log in, close tab, reopen app URL	User remains logged in	■ Pass ■ Fail	
Logout clears session	Click Logout button	Redirected to login, session cleared	■ Pass ■ Fail	

Tester Name: _____

Date: _____

Overall: ■ Pass ■ Fail

2. Lodge Setup Wizard

Test Case	Steps	Expected Result	Pass / Fail	Notes
First-time setup	Fill lodge name, type, number of rooms → save	Settings saved, setup_complete flag set	■ Pass ■ Fail	
Redirect after setup	Complete setup wizard	Redirected to Dashboard automatically	■ Pass ■ Fail	
Setup not repeated	Restart app after setup complete	Wizard does not appear again	■ Pass ■ Fail	

Tester Name: _____ Date: _____ Overall: ■ Pass ■ Fail

3. Dashboard

Test Case	Steps	Expected Result	Pass / Fail	Notes
Occupancy % correct	Create occupied bookings, view Dashboard	% matches occupied rooms / total rooms	■ Pass ■ Fail	
Check-in/out counts	Check in and check out bookings, view Dashboard	Counts match actual check-in/out actions today	■ Pass ■ Fail	
Revenue today accurate	Add bookings with payment, view Dashboard	Revenue total matches sum of today's payments	■ Pass ■ Fail	
Recent activity shows	Perform any lodge action, view Dashboard	Action appears in recent activity feed	■ Pass ■ Fail	

Tester Name: _____ Date: _____ Overall: ■ Pass ■ Fail

4. Room Management

Test Case	Steps	Expected Result	Pass / Fail	Notes
Add room	Go to Rooms → Add Room → fill details → save	Room appears in room grid	■ Pass ■ Fail	
Edit room type/rate	Click a room → edit type and nightly rate → save	Changes persist and show correctly	■ Pass ■ Fail	
Change status	Click a room → change status to Maintenance	Room shows correct status colour in grid	■ Pass ■ Fail	
Room grid updates live	Make changes, return to room grid	Grid reflects latest status without full reload	■ Pass ■ Fail	

Tester Name: _____

Date: _____

Overall: ■ Pass ■ Fail

5. Bookings

Test Case	Steps	Expected Result	Pass / Fail	Notes
Create booking	Go to Bookings → New → fill guest, room, dates → save	Booking appears in list with correct details	■ Pass ■ Fail	
Assign room	Create booking → select a specific room	Room marked as occupied for that date range	■ Pass ■ Fail	
Check-in action	Find an arrival booking → click Check In	Booking status changes to 'checked_in'	■ Pass ■ Fail	
Check-out action	Find a checked-in booking → click Check Out	Booking status changes to 'checked_out', room freed	■ Pass ■ Fail	
Cancel booking	Find a booking → click Cancel	Booking status changes to 'cancelled', room freed	■ Pass ■ Fail	
Overbooking prevention	Try to book same room for overlapping dates	Error shown, booking not created	■ Pass ■ Fail	

Tester Name: _____

Date: _____

Overall: ■ Pass ■ Fail

6. Guest Management

Test Case	Steps	Expected Result	Pass / Fail	Notes
Add guest	Go to Guests → Add Guest → fill details → save	Guest appears in guest list	■ Pass ■ Fail	
Edit guest	Click a guest → edit name/contact → save	Changes persist correctly	■ Pass ■ Fail	
Search by name/email	Use search bar to find a guest	Matching guests appear in results	■ Pass ■ Fail	
Guest history	Click a guest → view history tab	Past bookings for that guest are listed	■ Pass ■ Fail	

Tester Name: _____

Date: _____

Overall: ■ Pass ■ Fail

7. Housekeeping

Test Case	Steps	Expected Result	Pass / Fail	Notes
Mark room clean	Go to Housekeeping → select room → mark Clean	Room status updates to clean	■ Pass ■ Fail	
Mark room dirty	Go to Housekeeping → select room → mark Dirty	Room status updates to dirty	■ Pass ■ Fail	
Add housekeeping note	Mark a room → add a note before saving	Note saved and visible in history	■ Pass ■ Fail	
Filter by status	Use status filter on Housekeeping screen	Only rooms matching filter are shown	■ Pass ■ Fail	
History log	View housekeeping history for a room	Previous status changes with timestamps shown	■ Pass ■ Fail	

Tester Name: _____

Date: _____

Overall: ■ Pass ■ Fail

8. Maintenance

Test Case	Steps	Expected Result	Pass / Fail	Notes
Raise ticket	Go to Maintenance → New Ticket → fill issue/room → save	Ticket appears in maintenance list	■ Pass ■ Fail	
Assign priority	Create ticket with Urgent priority	Ticket shows correct priority badge	■ Pass ■ Fail	
Resolve ticket	Click a ticket → mark as Resolved	Ticket status changes, removed from open list	■ Pass ■ Fail	
Ticket in alerts	Create a maintenance ticket	Alert badge count increases on dashboard	■ Pass ■ Fail	

Tester Name: _____

Date: _____

Overall: ■ Pass ■ Fail

9. Expenses

Test Case	Steps	Expected Result	Pass / Fail	Notes
Add expense	Go to Expenses → Add → fill amount/category → save	Expense appears in list	■ Pass ■ Fail	
Categorise expense	Add expense with specific category	Category shows correctly in list and reports	■ Pass ■ Fail	
Edit expense	Click an expense → change amount → save	Updated amount reflected	■ Pass ■ Fail	
Delete expense	Click an expense → delete	Expense removed from list and totals	■ Pass ■ Fail	
Total in reports	Add several expenses, view Reports	Expense total matches sum of added expenses	■ Pass ■ Fail	

Tester Name: _____

Date: _____

Overall: ■ Pass ■ Fail

10. POS / Bar

Test Case	Steps	Expected Result	Pass / Fail	Notes
Add sale item	Go to POS → add an item to the sale	Item appears in current sale list	■ Pass ■ Fail	
Apply discount	Add item → apply a % or fixed discount	Total updates correctly with discount applied	■ Pass ■ Fail	
Complete sale	Add items → click Complete/Pay	Sale saved and totals updated	■ Pass ■ Fail	
Receipt generated	Complete a sale	Receipt appears and can be printed/saved	■ Pass ■ Fail	
Sales in reports	Complete sales, view Reports	POS sales total matches completed transactions	■ Pass ■ Fail	

Tester Name: _____

Date: _____

Overall: ■ Pass ■ Fail

11. Inventory

Test Case	Steps	Expected Result	Pass / Fail	Notes
Add item	Go to Inventory → Add Item → fill details → save	Item appears in inventory list with stock level	■ Pass ■ Fail	
Adjust stock	Click an item → adjust quantity	Stock level updates correctly	■ Pass ■ Fail	
Low stock alert	Set item stock below reorder level	Alert appears on dashboard/alerts screen	■ Pass ■ Fail	
Reorder level respected	Check items at or below reorder level	These items flagged in low stock view	■ Pass ■ Fail	

Tester Name: _____

Date: _____

Overall: ■ Pass ■ Fail

12. Room Supplies

Test Case	Steps	Expected Result	Pass / Fail	Notes
Log supply usage	Go to Room Supplies → select room → log items used	Usage saved to history	■ Pass ■ Fail	
View usage history	Open a room's supply history	All logged supply events shown with dates	■ Pass ■ Fail	
Deduct from inventory	Log supplies used for a room	Corresponding inventory quantities decrease	■ Pass ■ Fail	

Tester Name: _____

Date: _____

Overall: ■ Pass ■ Fail

13. Conference / Events

Test Case	Steps	Expected Result	Pass / Fail	Notes
Book conference room	Go to Conference → New Booking → fill details → save	Booking appears in conference list	■ Pass ■ Fail	
Set capacity	Add a conference booking with max attendees	Capacity shown in booking details	■ Pass ■ Fail	
Add catering notes	Add notes to a conference booking	Notes saved and visible on the booking	■ Pass ■ Fail	
View calendar	Open conference calendar view	Bookings appear on correct dates	■ Pass ■ Fail	

Tester Name: _____

Date: _____

Overall: ■ Pass ■ Fail

14. Day Use / Pool

Test Case	Steps	Expected Result	Pass / Fail	Notes
Add day use booking	Go to Day Use → New → fill guest/package → save	Booking appears in day use list	■ Pass ■ Fail	
Charge fee	Add day use with a fee	Fee shows in booking and daily revenue	■ Pass ■ Fail	
Expiry by end of day	Create a day use booking, check after midnight	Booking shown as expired/completed next day	■ Pass ■ Fail	

Tester Name: _____

Date: _____

Overall: ■ Pass ■ Fail

15. Night Audit

Test Case	Steps	Expected Result	Pass / Fail	Notes
Run audit	Go to Night Audit → Run Audit	Audit processes without errors	■ Pass ■ Fail	
Verify balances	Run audit, check totals	All financial totals reconcile correctly	■ Pass ■ Fail	
Flag unpaid bookings	Run audit with unpaid bookings present	Unpaid bookings highlighted in audit report	■ Pass ■ Fail	
Generate audit report	Complete night audit	Audit report can be exported/printed	■ Pass ■ Fail	

Tester Name: _____

Date: _____

Overall: ■ Pass ■ Fail

16. Reports

Test Case	Steps	Expected Result	Pass / Fail	Notes
Revenue by date range	Go to Reports → Revenue → set start/end dates	Revenue shown for that period only	■ Pass ■ Fail	
Occupancy report	Go to Reports → Occupancy	% matches actual room occupancy data	■ Pass ■ Fail	
Expense summary	Go to Reports → Expenses	Totals match expenses entered	■ Pass ■ Fail	
Export to Excel	Click Export on any report	Excel file downloads with correct data	■ Pass ■ Fail	

Tester Name: _____ Date: _____ Overall: ■ Pass ■ Fail

17. Staff Management

Test Case	Steps	Expected Result	Pass / Fail	Notes
Add staff	Go to Staff → Add → fill name/role → save	Staff appears in user list	■ Pass ■ Fail	
Assign role	Create staff with 'staff' role	User can log in but has restricted access	■ Pass ■ Fail	
Deactivate account	Click a user → deactivate	User cannot log in after deactivation	■ Pass ■ Fail	
Admin area blocked	Log in as staff role → try to access admin area	Access denied or nav item not shown	■ Pass ■ Fail	

Tester Name: _____

Date: _____

Overall: ■ Pass ■ Fail

18. Data Import

Test Case	Steps	Expected Result	Pass / Fail	Notes
Import bookings	Go to Import → upload a valid Excel file → import	Bookings created from file data	■ Pass ■ Fail	
Validate rows	Import file with missing required fields	Invalid rows skipped with error summary	■ Pass ■ Fail	
Skip duplicates	Import same file twice	Second import skips already-imported records	■ Pass ■ Fail	
Import summary	Complete an import	Summary shows imported count, skipped count, errors	■ Pass ■ Fail	

Tester Name: _____ Date: _____ Overall: ■ Pass ■ Fail

19. Settings

Test Case	Steps	Expected Result	Pass / Fail	Notes
Update lodge info	Go to Settings → change lodge name → save	New name persists after reload	■ Pass ■ Fail	
Change currency	Go to Settings → change currency symbol → save	Currency symbol updates throughout app	■ Pass ■ Fail	
Persist across sessions	Change a setting, restart app	Setting remains changed after restart	■ Pass ■ Fail	

Tester Name: _____

Date: _____

Overall: ■ Pass ■ Fail

20. Broadcasts

Test Case	Steps	Expected Result	Pass / Fail	Notes
Admin creates broadcast	In Command Central → Broadcasts → create new	Broadcast saved with active status	■ Pass ■ Fail	
Lodge app shows banner	Open lodge app with active broadcast	Green banner appears at top of screen	■ Pass ■ Fail	
Dismiss persists in session	Dismiss the broadcast banner	Banner does not reappear in same session	■ Pass ■ Fail	
Expired broadcast hidden	Create broadcast with past expiry date	Banner does not show in lodge app	■ Pass ■ Fail	

Tester Name: _____

Date: _____

Overall: ■ Pass ■ Fail

21. Feature Flags

Test Case	Steps	Expected Result	Pass / Fail	Notes
Disable feature	Command Central → Feature Flags → disable POS for a lodge	POS nav item shows as locked in lodge app (within 60s)	■ Pass ■ Fail	
Locked item greyed out	View locked nav item in lodge app	Item appears greyed with lock icon and tier badge	■ Pass ■ Fail	
Re-enable unlocks	Re-enable feature in Command Central	Nav item becomes active in lodge app	■ Pass ■ Fail	
Tier preset apply	Apply Starter preset to a lodge	All non-Starter features locked	■ Pass ■ Fail	

Tester Name: _____ Date: _____ Overall: ■ Pass ■ Fail

22. Support Tickets

Test Case	Steps	Expected Result	Pass / Fail	Notes
Lodge submits ticket	In lodge app → Help → fill title/description → submit	Ticket appears in Command Central Support tab	■ Pass ■ Fail	
Command Central receives	View Support Tickets in Command Central	New ticket visible with correct lodge name	■ Pass ■ Fail	
Admin resolves	Click ticket → change status to Resolved → save	Ticket status updates to resolved	■ Pass ■ Fail	
Email notification	Submit a ticket with SMTP configured	Notification email received at configured address	■ Pass ■ Fail	

Tester Name: _____

Date: _____

Overall: ■ Pass ■ Fail

23. Upgrade Request

Test Case	Steps	Expected Result	Pass / Fail	Notes
Click locked feature	Click a greyed-out locked nav item	Upgrade modal opens	■ Pass ■ Fail	
Modal shows tiers	View upgrade modal	All 3 tiers (Starter, Standard, Pro) displayed with features	■ Pass ■ Fail	
Submit upgrade request	Select a tier → click Request Upgrade	Support ticket created with category 'Upgrade Request'	■ Pass ■ Fail	
Ticket in Command Central	After submitting upgrade request	Ticket visible in Command Central with upgrade badge	■ Pass ■ Fail	

Tester Name: _____

Date: _____

Overall: ■ Pass ■ Fail

24. Manager PWA

Test Case	Steps	Expected Result	Pass / Fail	Notes
Login on mobile	Open Vercel URL on mobile → enter credentials	Logged in and Dashboard shown	■ Pass ■ Fail	
View dashboard	Open Dashboard screen on PWA	Occupancy, KPIs, and alerts load correctly	■ Pass ■ Fail	
View rooms	Open Rooms screen on PWA	Room grid shows colour-coded statuses	■ Pass ■ Fail	
View bookings	Open Bookings screen on PWA	Today's and upcoming bookings listed	■ Pass ■ Fail	
View alerts	Open Alerts screen on PWA	Overdue checkouts and maintenance shown	■ Pass ■ Fail	
Install as PWA	Open in Edge/Chrome → install to home screen	App installs and opens standalone	■ Pass ■ Fail	
Data matches desktop	Compare PWA data with desktop app	Same rooms, bookings, revenue shown	■ Pass ■ Fail	

Tester Name: _____

Date: _____

Overall: ■ Pass ■ Fail

25. Email Notifications

Test Case	Steps	Expected Result	Pass / Fail	Notes
Configure SMTP	Command Central → Email Alerts → fill SMTP details → save	Config saved without errors	■ Pass ■ Fail	
Test email	Click 'Send Test Email' after saving SMTP config	Test email received at configured address	■ Pass ■ Fail	
Support ticket email	Submit a support ticket from lodge app	Notification email received for new ticket	■ Pass ■ Fail	
Upgrade request email	Submit an upgrade request	Upgrade-specific email received with tier details	■ Pass ■ Fail	

Tester Name: _____

Date: _____

Overall: ■ Pass ■ Fail
